### Advanced Power Management System

Geneva saves energy by powering down during low use periods.

### Comprehensive Drink Range

Geneva offers a wide variety of drinks including two specialty coffees with lightener and sugar options.

### State-Of-The-Art Brewing System

Simple brewing system and state-of-the-art filtering ensure a high quality, consistent drink (No Filter Paper Required)

### iVend Guaranteed Delivery System

Infrared sensor system ensures your customer receives their cup or their money back.

### One Touch Servicing

Servicing is straight forward and clean-up is simple. Flush bowls & brewer with just one push of a button.

### Own Cup Feature

Use your own cup. Geneva automatically senses when you've placed your cup in the vend area.

### Optional Cashless

Greenlite Cashless accepts credit, debit & mobile payments with valuable telemetry and machine management tools.
